

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa1174/1dn

November 7, 2013

Maggie Gau:

In your telephone message you asked that this amendment eliminate what Assembly Amendment 5 added to the substitute amendment. A simple amendment is not incorporated into a bill or substitute amendment at the committee stage. A committee can only recommend that the Assembly as a whole adopt a simple amendment. Thus, there is nothing to eliminate from the substitute amendment. To accomplish what you want, the Assembly must adopt this amendment and not Assembly Amendment 5.

Please let me know if you have any questions or want any changes to this draft.
